KOROBKINA, Anastasia

(Previously listed as "Stasia Korobkin" incorrect accordingly)

1.- The group surrounding Anastasia KOROBKINA, at Schlossried, near Ravensburg, represents a rather involved political mixture. It may well be that Anastasia K represents the local meeting point between the 2nd Bureau and the Soviet Liaison.

2.- Anastasia's lover, NIKITA KREUTER, is working for the 2nd Bureau, while her husband, KOROBKIN, is reportedly a Soviet agent.

3.- Source expects to keep a closer surveillance on the subject and present a more complete report upon his return from the French Zone.
